**BIOGRAPHY**

Carl Geiger is a visual artist, technologist and teacher with many years experience in experimental and broadcast video systems, photography and electronics. He is co-founder of The Synapse Video Center and of Innervision Media Systems of Central New York, both non-profit organizations working with video. As an artist, Carl has been supported by the New York State Council on the Arts, The National Endowment for the Arts and CAPS; he has had numerous showings in both photography and video around the country. 1977
