ESSAYS

Photographer Anne Turyn received a CAPS photography fellowship in and has exhibited her work at the New Museum and Inroads Gallery in New York City among others. "Volunteer", a photo novel by Turyn was published by CEPA in Buffalo. In her photographs Turyn's attempt is to 'dissect how we think and remember, what we feel, and how we act in different situations.' In all her projects Turyn is 'interested in the variables in the narrative, the formal shifts in the mode of storytelling, and the exploration of image, words, and sequence.'
