Associate Director

ESSAYS

In 1989, Gary Hesse was hired as a Syracuse University graduate assistant at Light Work. During his time there he worked on a vast number of projects before graduating from the SU Art Media Studies Program in 1992. He was then hired as a part-time lab manager for Community Darkrooms. Hesse went on to become Light Work's Associate Director in 1994 and remained till 2004 when he left to pursue other career and project goals.
