BIOGRAPHY

For a more recent CV or bio please visit the artist's website, danielramosphoto.com

Early on in his career, Daniel Ramos decided that the people in his life—family, friends, co-workers—would be the subjects of his work. He uses photography as a vehicle to amplify their presence in the world and has recently begun moving beyond the single image convention of picture making to create 3-dimensional sculptures, large-scale collages, and mixed media installations. Daniel was an Artist-In-Residence at Light Work, Syracuse, NY in June 2021 and recently completed the 2020-2021 Pollock-Krasner Residency at ISCP in Brooklyn, NY. In March 2020, Daniel completed the Spring International Artist-In-Residence program at Artpace San Antonio, Texas and won the Dorothea Lange-Paul Taylor prize in 2018.
